Continuing Education Information

Physicians

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Wisconsin Medical Society through the joint providership of MetaStar, Inc., and ThedaCare Center for Healthcare Value. MetaStar, Inc. is accredited by the Wisconsin Medical Society to provide continuing medical education for physicians.

MetaStar, Inc. designates this live activity for a maximum of 6.5 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses

MetaStar, Inc. is an approved provider of continuing nursing education by the Wisconsin Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

6.5 contact hours will be awarded for successful completion.

MetaStar, Inc. is the approved provider co-providing CNE for this educational activity.

Health Care Executives (ACHE Members)

MetaStar is authorized to award 6.5 hours of pre-approved ACHE Qualified Education credit (non-ACHE) for this program toward advancement or recertification in the American College of Healthcare Executives. Participants in this program wishing to have the continuing education hours applied toward ACHE Qualified Education credit should indicate their attendance when submitting application to the American College of Healthcare Executives for advancement or recertification.

Certificate of Completion

Available to all participants

Who Should Attend

This session is designed for clinical and nonclinical senior leaders with experience applying lean principles in their organizations.

Expected Outcome

Participants will be able to use knowledge about the ThedaCare Business Performance System to help them sustain lean practices in their own organizations.

Overall Objectives

Following the completion of this learning session, participants will be able to:

- Explain the purpose behind each of the ten interconnected components of a lean management system.
- Describe how to cascade information effectively throughout the organization.
- Identify how to create and sustain a system of continuous improvement aligned with strategic goals.
- Discuss how employee coaching and mentoring can occur on a daily basis.
- Produce standard work for executives in GEMBA to support daily continuous improvement.
