Continuing Education Information

Physicians

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Wisconsin Medical Society through the joint providership of MetaStar, Inc. and Catalysis. MetaStar, Inc. is accredited by the Wisconsin Medical Society to provide continuing medical education for physicians.

MetaStar, Inc. designates this live activity for a maximum of 7.5 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses

MetaStar, Inc. is an approved provider of continuing nursing education by the Wisconsin Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Up to 7.50 contact hours will be awarded for successful completion.

MetaStar, Inc. is the approved provider co-providing CNE for this educational activity.

Health Care Executives (ACHE Members)

MetaStar is authorized to award up to 7.50 hours of pre-approved ACHE Qualified Education credit for this program toward advancement, or recertification, in the American College of Healthcare Executives. Participants in this program who wish to have the continuing education hours applied toward ACHE Qualified Education credit must self-report their participation. To self-report, log into your MyACHE account and select ACHE Qualified Education Credit.

Certificate of Completion

Available to all participants

Who Should Attend

This session is designed for clinical and nonclinical leaders across the healthcare industry.

Learning Outcome

Participants will be able to identify how leaders visually manage priorities of the organization and how staff and physicians partner to deliver value. Outcomes will be measured by a brief follow up survey to participants.

Overall Objectives

Following the completion of this learning session, participants will be able to:

- Describe how leaders are creating a work environment focused on developing people to identify and solve daily problems
- Analyze the behaviors required of leadership in an improvement environment
- Identify how a principle-based approach helps to develop systems that foster ideal behaviors to leverage appropriate tools that deliver results
- Describe how organizations provide constancy of purpose at all levels

Presenters

John Toussaint, MD; Heidi Betzinger; Kim Barnas; Kevin Hartz; Marta Karlov; Patsy Engel; Theresa Moore
